

MSC PROGRAM IN STRUCTURAL & GEOTECHNICAL ENGINEERING

STUDY PLAN PROCEDURE FOR THE ACADEMIC YEAR _____

FORM B (TO BE FILLED IN BY THE STUDENT WHO WANTS TO CHANGE THE STUDY PLAN PREVIOUSLY APPROVED)

HOW TO FILL IN

The form must be completed with the teaching or training activities already approved in the left columns and the requested changes in the right columns.

It's mandatory to attach the latest approved study plan (print from SegrePass procedure).

It is suggested not to exceed the 60 CFU (ECTS) per academic year by more than 6-9 CFU (ECTS). Students who do not follow this suggestion must motivate the choice that will be discussed with the Study Plans Commission.
